## **Bonneville Neighborhood Association....**

...Is dedicated to preserving the historical integrity of its neighborhood and promoting a better quality of life in the future.

- It sponsors a computer lab with classes for all citizens.
- Annual spring and fall clean-ups are arranged through the city.
- Playground equipment and park improvement are among BNA's first priorities.
- Social interaction is encouraged by quarterly meetings, often with potlucks.

Located between 1st and 15th Avenues and from Oak Street to Center Street the area is a blend of old and new, housing and businesses, parks and various government offices. It has eight churches, two schools (one public, one private) and a variety of lifestyles among its neighbors.
