

**Eligibility:** All residents within the neighborhood boundaries as defined by the City of Pocatello, Planning & Development Services Department, are encouraged to join.

The boundaries consist of:

**North:** Eldredge Road including Z Street

**South:** Gould Street

**East:** Yellowstone Avenue to Alameda then Wilson to Z Street

**West:** Poleline Avenue

**There is no fee to join.**

*Published with support from Pocatello Neighborhood Housing Services and the Community Development Block Grant program.*

**Organized April 1998**

Past Presidents

Brenda Pollard 2 years

Gerald Holmes 2 Years

**MOTTO:** Exploring the wealth of neighborhood relationships!

# Lewis & Clark Neighborhood

**Stronger residents,  
Stronger neighbors,  
Stronger community.**

# LEWIS & CLARK NEIGHBORHOOD ENTRANCE MARKERS

The Lewis & Clark Neighbors are happy to welcome people into our borders. The beautiful marker at the corner of Wilson & West Maple greets our friends entering from the east. This project was one of the very first we identified when we organized in 1998. Another monument, very similar to this one, is planned for an area close to the intersection of Alameda Road and McKinley. Lewis & Clark Neighborhood was named for the elementary school located within our area. The added bonus is our neighbors to the north on the Fort Hall Indian Reservation.

We discovered our very own Shoshone people are the descendants of Sacajawea and the Shoshoni scouts that led the Corps of Discovery through the Rockies on their way west. What a tribute to carry the name Lewis & Clark Neighborhood!

## Past things we have done....

1. Moreland sidewalks-helping kids have a safer way to school.
2. Dave Strang Home-siding project
3. Neighborhood marker
4. Spring & Fall clean up
5. Annual pot luck dinner
6. Target impact area

## Projects we are looking forward to:

- \* Be in close contact with land-lords of problem properties
- \*Design a neighborhood bike path
- \*Add street lights in 3 dark areas
- \*Look for a Paintfest project
- \*Develop a Christmas decoration recognition program
- \*Develop good resident-business relationships
- \*Assist and work with the school and churches on community service projects
- \*Welcome Wagon
- \*Block Parties
- \*Sidewalk Projects
